

Hanna CHETOUANE

Master's student in Applied Mathematics

About me

Nationality : French
Birth : 16/01/2003
Adress : 13 rue du
Maennelstein
Strasbourg, France

Skills

- Good communication and teamwork skills
- Good adaptability and observation skills
- Perseverance and ability to surpass myself

Interests

- Mathematics and computer science
 - Figure skating
- Nature and environment

Hanna-che

EXPERIENCES

2022–today

Mathematics Support

From middle school to post-baccalaureate, I help students with their homework and general understanding of their mathematics lessons.

2018–today

Figure Skating Instructor

I coach at the CSGSA ("Club des sports de glace de Strasbourg Alsace") at all levels, including Competitors, Baby Club, and Adults.

DEGREES

2024

Bachelor of Applied Mathematics in University of Strasbourg

2021

Baccalaureate at Sainte-Anne high school, Strasbourg

CERTIFICATES

2024

BF1 (first ice sports coaching certificate)

2024

PSC1 (Level 1 prevention and first aid)

2022

B driving license

CURRICULUM

2024

CSMI Master (Scientific Computing and Mathematics of Innovation)

University of Strasbourg

Advanced skills in statistics, mathematical modeling, numerical simulation, optimization, scientific computing, signal and image processing, as well as algorithms and high-performance computing (put into practice through projects and internships).

2021–2024

Bachelor of Applied Mathematics

University of Strasbourg

Fundamental bases in analysis (integration, function sequences and series), algebra, Fourier series, differential calculus, probability and statistics (R), as well as computer science (Python and C++).

PROGRAMMING

Python, C++

R

C, Sql, Rust, Latex

LANGUAGES

French

C2

mother tongue

English

B1/B2
