

Hanna CHETOUANE

Master's student in Applied Mathematics

About me

Nationality : French
Birth : 16/01/2003
Adress : 13 rue du
Maennelstein
Strasbourg, France

Skills

- Good communication and teamwork skills
- Good adaptability and observation skills
- Perseverance and ability to surpass myself

Interests

- Mathematics and computer science
 - Figure skating
- Nature and environment

0768186222

Hanna-che

EXPERIENCES

- | | |
|------------|---|
| 2022–today | Mathematics Support
From middle school to post-baccalaureate, I help students with their homework and general understanding of their mathematics lessons. |
| 2018–today | Figure Skating Instructor
I coach at the CSGSA ("Club des sports de glace de Strasbourg Alsace") at all levels, including Competitors, Baby Club, and Adults. |

DEGREES

- | | | |
|------|--|--|
| 2024 | Bachelor of Applied Mathematics in University of Strasbourg | |
| 2021 | Baccalaureate at Sainte-Anne high school, Strasbourg | |

CERTIFICATES

- | | | |
|------|--|--|
| 2024 | BF1 (first ice sports coaching certificate) | |
| 2024 | PSC1 (Level 1 prevention and first aid) | |
| 2022 | B driving license | |

CURRICULUM

- | | |
|-----------|---|
| 2024 | CSMI Master (Scientific Computing and Mathematics of Innovation)
University of Strasbourg
Advanced skills in statistics, mathematical modeling, numerical simulation, optimization, scientific computing, signal and image processing, as well as algorithms and high-performance computing (put into practice through projects and internships). |
| 2021–2024 | Bachelor of Applied Mathematics
University of Strasbourg
Fundamental bases in analysis (integration, function sequences and series), algebra, Fourier series, differential calculus, probability and statistics (R), as well as computer science (Python and C++). |
