

Hanna CHETOUANE

Master's student in Applied Mathematics

About me

Nationality : French
Birth : 16/01/2003
Adress : 13 rue du
Maennelstein
Strasbourg, France

Skills

- Good communication and teamwork skills
- Good adaptability and observation skills
- Perseverance and ability to surpass myself

Interests

- Mathematics and computer science
 - Figure skating
- Nature and environment

0768186222

Hanna-che

EXPERIENCES

- 2022–today **Mathematics Support**
From middle school to post-baccalaureate, I help students with their homework and general understanding of their mathematics lessons.
- 2018–today **Figure Skating Instructor**
I coach at the CSGSA ("Club des sports de glace de Strasbourg Alsace") at all levels, including Competitors, Baby Club, and Adults.

DEGREES

- 2024 **Bachelor of Applied Mathematics** in University of Strasbourg 
- 2021 **Baccalaureate** at Sainte-Anne high school, Strasbourg 

CERTIFICATES

- 2024 **BF1** (first ice sports coaching certificate)
- 2024 **PSC1** (Level 1 prevention and first aid)
- 2022 **B driving license**

CURRICULUM

- 2024 **CSMI Master (Scientific Computing and Mathematics of Innovation)**
University of Strasbourg 
Advanced skills in statistics, mathematical modeling, numerical simulation, optimization, scientific computing, signal and image processing, as well as algorithms and high-performance computing (put into practice through projects and internships).
- 2021–2024 **Bachelor of Applied Mathematics**
University of Strasbourg 
Fundamental bases in analysis (integration, function sequences and series), algebra, Fourier series, differential calculus, probability and statistics (R), as well as computer science (Python and C++).
